NEWS THIS MONTH

Martin Hometown Day is July 10, and is gearing up to be a fun-packed family event! Join us at the library for Outdoor Discovery at 10:30, lunch at Clipper Cafe, games at the library from 12-3, and a craft/vendor show in the library parking lot! There will be water games with the fire department, dinner, and live music. We hope to see you there!

The animals are coming!

Outdoor Discovery is visiting the library July 10 at 10:30! Join us as we learn about and meet some of the animals that can be found just beyond our back doors. Live animals, taxidermy and artifacts will be used during the presentation. Additionally, **John Ball Zoo** is visiting the library July 17 at 10:30 to give a presentation. The animal programs are outside, so be sure to check our Facebook page for weather updates.
